

Media Bingo Financial Report

GUIDE

The completion of the Bingo Financial Report is mandatory under the terms and conditions governing your license. It must be completed and returned to the Liquor and Gaming Authority (LGA) in accordance with your licence terms.

STEP I

Complete the upper portion of page 1. Enter THE PERIOD THAT YOU ARE REPORTING, LICENSE NUMBER, and ORGANIZATION NAME and ADDRESS.

STEP II

BINGO EVENT INFORMATION (page 1)

Transfer the information from your BINGO EVENT REPORTS to page 1 of this report. For each event, record the DATE, ATTENDANCE, TOTAL GROSS BINGO REVENUE (A), CASH PRIZES (B), CASH EXPENSES (C), CALCULATED DEPOSIT (D), ACTUAL DEPOSIT (E) and CASH SHORTAGE/(OVERAGE) (F). Once all events have been recorded, add each of the columns to arrive at the GRAND TOTALS.

On the bottom of page 1, the LICENSE FEE PAYABLE should be calculated by multiplying the GRAND TOTAL GROSS BINGO REVENUE (G) by the license fee rate of 1.5%. This amount should be remitted to the LGA upon submission of the Financial Report.

STEP III

LOTTERY ACCOUNT CHEQUE REGISTER (page 2)

If you have only one bank account for both bingo and breakopen lotteries, complete only the BINGO EVENT INFORMATION (page 1), BINGO PAPER INVENTORY and ACCUMULATOR PRIZE VALUES (page 2) on the Bingo report. All of the banking information will be fully reported on the corresponding Financial Report for Breakopens.

If you have a separate bank account for your bingo lottery, you are required to complete all areas of each page of this report.

Information from all cheques written on this account during the period must be entered. Enter the DATE the cheque was written, the CHEQUE #, the PAYEE, and a brief DESCRIPTION of what the cheque was for. The AMOUNT(\$) of the cheque should then be entered in the appropriate column. Each of the columns should then be added to arrive at the TOTALS.

If you have a cheque register, or a similar listing of cheques already prepared, you do not need to rewrite them providing the listing contains the same information requested. A legible photocopy of your listing will be sufficient. Ensure, however, that you still enter the TOTALS in the appropriate boxes at the bottom of page 2.

STEP IV

BINGO PAPER INVENTORY (page 3)

All organizations must conduct a physical count and record the inventory on hand at the end of the period being reported and record it in this section.

Enter the PRODUCT CODE (taken from the Manitoba Liquor and Lotteries invoice received for products purchased), the DESCRIPTION of the product, the AMOUNT ON HAND, and the SELLING PRICE PER BOOK or SHEET.

STEP V

ACCUMULATOR PRIZE VALUES (page 3)

Enter the game name and value of the prize for each game that has an accumulated prize. The value that is entered for each game should be the amount offered to the players at the last event of the period. For those accumulator games that increase by a number, please enter the number required to win the game. Once all of your accumulator games have been recorded, add up the PRIZE VALUE column and record the grand total.
